Docket No. :	1013-0029)	Kim Schiefelbein Date

REQUEST FOR APPROVAL OF REPLACEMENT DRAWINGS

Applicant requests the approval of replacement drawing Figures 1-4 for the above-identified application. Replacement drawing Figures 1-4 are necessary to correct distortions that previously occurred when printing these pdf drawing figures:

REMARKS

Although the July 12, 2004 Office Action does not object to the drawings, applicant would like to correct distortions that occurred when printing these drawings. Replacement drawing Figure 1 corrects distortions in the lead lines and boxes in this figure. Replacement drawing Figure 2 shows the boundary line between zones 20 and 22 more cleanly. Replacement drawing Figure 3 show the boundary line between zones 20 and 22, and shows the boundary line between zones 22 and 24 more cleanly. Replacement Figure 4 shows the boundary lines between zones 20, 21, 22 and 24 more cleanly. No new subject matter is believed added by the replacement drawings.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP
